Dear every supporter for Noah International School

Thank you for your support for us, school, teachers and students. I, Tanaka who became a principal in 2016, this new school year, send our greeting to you. We are very deeply moved to have a first graduate student, Hanul Lim this April after five years when this school started in March, 2011. And it is the great blessing to have firstly two Japanese students this quarter. We believe God continually enlarges this school further with His great blessing. The new School year has started and have the second quarter this May. I will send you the newsletter. We are very happy you continually remember us. Thank you.

Hiroshi Tanaka, Principal

<The Report of School Activities in the 1st Quarter>

March 1st, New School year Started

At the 1st quarter in 2016 9 students including 2 Japanese studied at NIS. Ms. Eva was in charge of senior class. Mr. Tanaka became a principal of this school and was also in charge of elementary class.

March 30th, Hanae' s graduation ceremony and Cherry-Blossom Viewing

Hanae entered the junior high school course after graduating from the primary course today. Blessed by teachers, students and parents, she looked very happy. And then we went to a buffet restaurant to watch cherry blossoms because one supporter invited us there.

April 1st, Field Trip (Science Day)

A christian guide had a tour at Osaka Science Museum. Mr. Kakiba, who used to be a volunteer guide at this museum for a long time, explained about exhibitions understandably.

April 6th, Cherry-blossom Viewing Hike

The parents of Ms. Eva accompanied with us to go to Umami Hill Flower Park. Cherry Blossoms were at their best and we really enjoyed them.

April 20th, Wall Climbing

This was the second time from last November to climb up the wall. It was very challenging but very fun.

April 22nd, Sports Day

After playing basketball and soccer in a gym, we played kick baseball at Taketori park. Then after returning back to school, we did a Bible verses memory game finally. We tried to do my best and had a fun time.

ENTAMAG

April 27th, Hanul' s Graduation Ceremony and Volunteer Work

Hanul graduated from the high school course. He will prepare for being interviewed and have a test for the entrance of Tokyo Christian University.

After the graduation ceremony we cleaned the garden of Ikaruga Bible Church as a volunteer work once a year. We cut some unnecessary trees and pick up many wild grasses. We made the garden very neat.

<The Plan for the 2nd Quarter in 2016>

May 2nd to 6th, Quarter Brake

Students except senior class had one week brake. Teachers had an education and preparation time.

May 9th, The Second Quarter will Begin.

May 10th, Level Confirmation

May 21st to 26th, International Student Convention

Nara, Hara and Now visited Missouri State with Ms. Eva to attend the ACE' s International Convention.

June 9th, 10th, Field Trip

June 24th, PTA Conference

July 15th, The End Day of 2nd Quarter

We would like to ask for your donation to support NIS.

Every day students and teachers work so hard to bring up the next generation who play an active part in the world. We as a non profit organization have run this school until now by many supporters. With you from now on, too, we will raise up this dream together.
